## AIRBORNE EXPRESS - DOMESTIC EXPRESS

a. The purpose of this modification is to change the following:

- (1) Page 21, I. Description of Service, paragraph 1.3, change to read "Third (3rd) party logistics Contractors, under a cost-reimbursable contract, may also use this BPA for official business conducted on behalf of the US Federal Government, if mutually agreed upon by the domestic express Contractor. Invoicing and billing procedures shall be mutually agreed upon between the third-party Contractor, the sponsoring agency, and the domestic express Contractor (See Exhibit G)."
- (2) Page 69, Exhibit G, Authorization Procedures for Commercial Contractors, paragraph 1, change to read "The Contracting Officer has determined that it is in the government's best interest to allow certain commercial contractors to use the BPA when using domestic express small package service for shipments made on behalf of the US government. The Contractors include Third Party Logistics (3PL) Contractors under a cost reimbursable contract."
- (3) Page 71, Exhibit G, remove paragraph 8 which states Delivery Terms: Contract must require FOB (free on board) origin terms in order to be considered for participation in the program.
- (4) Page 28, I. Description of Service, paragraph 4.4.8.2.4, change to read "The report of sales and revenues or the closeout report shall accompany the submission of the Administrative Service Charge to the Payment Office with a copy forwarded to the Administrative Contracting Officer."
- (5) Page 8, Block 19 24, Schedule of Supplies/Services, Next Day Service, correct letter weight 34 Lbs, estimated shipments 27,933, to read \$32.32 in lieu of \$23.32. This administrative change is to correct a typographical error.
- b. There is no cost associated with these changes. There are no other changes to the Blanket Purchase Agreement as a result of this modification.
- c. Revised pages are attached. Changes are identified by a vertical line in the right margin.
